Public Notice

Notice No.....⁵.....

Date:.....4-1-2019.....

It is to inform that JIADA in consultation of JSAC and technical team of regional office of JIADA has prepared the Master Plan for Industrial areas of regions. Master layout plan has been developed based on industrial GIS parameters, which includes the guideline and parameters of AMRUTH and IPRS, DIPP, Govt. of India.

The master lay out plan is being published on JIADA website for public and stakeholder's consultation, feedback and suggestions. All stakeholders are requested to give their feedback on the draft master lay out plan of industrial areas by 30.01.2019.

Copies can be seen/viewed on JIADA website through URL: <http://www.jiada.co.in/> . Further after consultation and basis on feedback, Master Plan to be finalised and GIS based master plan will be published on Industry GIS: <http://gis1.jharkhand.gov.in/industry/> for industry usage and land allotment. Any objection or suggestion can be shared on mdjiada@gmail.com
